SURVEY SUMMARY

October 30, 2021

These were common themes that emerged from the survey:

- Need increased visibility
- Lack of engagement, particularly with people under the age of 35 and BIPOC
- Need to make sure what we do is SUSTAINABLE. We need to ensure that whatever we agree to take on, we follow through.
- Need a point person; a coordinator
- We need to resolve the tension/friction between written and spoken poetry
