

Come down to the old WCPA office at the Sprinkler Factory (38 Harlow Street, Worcester) on Saturday, 11/12/2022, and Saturday, 11/19/2022, for a “yard sale”. Take some of our furniture to a new home, pick up a book or five for your winter reading, just come to say “hello.”

Items must be removed immediately. We won’t be able to hold an item for you to come back for it later.

Our office is one the second floor. There is a ramp to get most of the way out but there are a handful of steps before you reach street-level.
